

HIGH VALUE NETWORK

Statewide access to quality care

Choose from a broad selection of health care providers across Minnesota.

The High Value Network includes leading primary and specialty care doctors and hospitals throughout the state.

TRAVEL WITH CONFIDENCE

When you travel outside the state you have access to 92 percent of doctors and 96 percent of hospitals nationwide through the national BlueCard® PPO network. In addition, Blue Cross Blue Shield Global Core (formerly known as BlueCard Worldwide®) gives you access to care in countries throughout the world.

Each health care provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services.
